

# Save money this tax season

# Get your taxes done for FREE!

Avoid using a paid tax preparer and save up to \$300. If you made less than \$60,000 in 2009, you can get your taxes done for free by IRS-certified volunteers at locations throughout the community.

The free tax sites also help eligible taxpayers claim important tax credits and increase their income. Some of the credits include:

- | The Earned Income Tax Credit
- | Property Credit
- | Heating Credit
- | Childcare Credit
