

Township of North Brunswick
Department of Public Works
announces a

NEW
COMPUTER RECYCLING PROGRAM

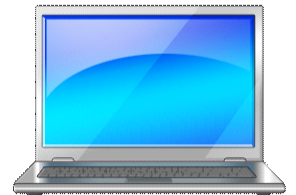

The Township of North Brunswick Department of Public Works is pleased to announce a new curbside computer recycling program. With help from the Middlesex County Recycling Enhancement Grant (REG), North Brunswick residents may now call for an appointment for the curbside pick up of computers, laptops, mice, keyboards, monitors and computer printers which will be sent to Hesstech, LLC, for eco-friendly recycling.

Computers will be collected, *by appointment*,
on the following schedule:

APRIL – NOVEMBER

Computer recycling will be scheduled for the
2nd and 4th Wednesdays

DECEMBER – MARCH

Computer recycling will be scheduled for the
2nd Wednesday of the month.

This program enables the Township of North Brunswick to further decrease the items we send to the landfill and ensures that as much of the computers are recycled as possible.
