

**PSE&G – UNDERGROUND CABLE REPLACEMENT**  
**PROJECT NOTICE**

**RESIDENTS OF THE HIDDEN LAKE AREA**

**On or about January 18, 2010, representatives of PSE&G will begin an underground cable replacement project in your area. Some transformers will also be upgraded and/or replaced as part of this project.**

**Most of this work will be performed underground, with limited impact to the Township's right-of-way, but some portions of the roads will have to be opened.**

**Areas affected are portions of:**

- Hidden Lake Drive**
  - Aaron Road**
  - Woodmere Road**
  - Leonard Street**
- Point of Wood Drive**
- Upper Brook Drive**
- Willowbrook Drive**
  - Parkside Drive**
  - Westlake Court**
  - Riverbend Drive**
  - Thrush Mews**
  - Quince Place**
  - Schmidt Lane**
- Wedgewood Drive**

**Residents of the affected area will receive a notice from PSE&G seven (7) days prior to commencement of the project with contact information. Any temporary disruption of electric service will be preceded with a hand delivered notice to each affected resident.**

**This project is anticipated to be completed within two months, weather permitting.**
